## PORTLAND MARKETS

## Latest Quotations in the Portland Markets.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce, and Vegetables.

PORTLAND, Feb. 7.—Dullness has all the week prevailed in the poultry market, and conditions were unchanged today. Receipts have not been heavy, but at the same time the demand in all lines has been light. No changes in quotations were announced. Most egg dealers say the market is weak and that lower prices than now prevail are to be expected. Others hold that cooler weather is likely soon and that the outlook for a livelier market is fair. For ranch stock quotations generally were 24 to 25 cents.
